

Allergen Declaration

Castoreum Accord

SUBSTANCES	CAS#	Total Concentration (%)
Benzyl alcohol	100-51-6	0.0006
Citronellol	106-22-9	0.0036
Benzyl benzoate	120-51-4	59.9562
Tetramethyl acetyloctahydronaphthalenes	54464-57-2	25.0000
Coumarin	91-64-5	0.0013
Iso Eugenol	97-54-1	0.0020

The materials listed are as a requirement of European regulations and may be constituents of natural essential oils and extracts which in themselves have not been identified as allergens. As the precise concentration of the alleged allergens present are from natural products they will vary and so the maximum reported level normally found has been indicated.
